MY FAMILY

I live with my little family it consist of four members, there are my father, my mother, my older brother and of course me as the youngest family member. My mother is middle aged woman, now she is 33 years old. her name is Mrs Lita. She has beautiful face and black long straight hair. her eyes just like ordinary Asian woman. She is a bit fat, but she is always beautiful for ever. She can manage her dress well, so she can keep looking good on all her dress. Her father is Kaman. Now he is 35 years old. My father is a good looking. His nose is pointed he spends and oval shaped face his skin is dark brown. Since he spends a lot of time working in the field. he has strong arms and legs because he does such heavy work routinely. The next family member is my father's older brother he is a Platon. Now, he is 15 years old just like my parent. My brother also has black eyes and black straight hair. he is taller he is quite smart, diligent and a hard worker. now he concentrate his study in learning English and he has a good teacher.
