Advances in Traditional Medicine (ADTM) <em@editorialmanager.com>

Tue, Jan 4, 6:39 PM

to me

Dear Mrs Engga Maretha,

Thank you for choosing to submit your manuscript (Test Comparison of Seeds and Skins Extract of Duku's Fruit (*Lansium domesticum* Corr.) Against The Amount of Melanin Pigment of Skin Mencit (*Mus musculus*) To Prevent Premature Aging of The Skin) to Advances in Traditional Medicine. There are a few more steps to complete your submission.

At this stage, please ensure that your files meet the submission requirements in the Instructions for Authors on our journal's homepage and that you provide a new cover letter.

NEXT STEPS

1. Login

Log in to <https://www.editorialmanager.com/OPEM/> with your username Your username is: DEngga Maretha-387 . For security reasons, passwords are never sent by email. To set a new password, please click this link: <https://www.editorialmanager.com/opem/l.asp?i=55149&l=LML25K0M>.

2. Edit submission

Go to 'Submissions sent back to author' and click 'Edit Submission'.

3. Final check

All the relevant sections should have been pre-populated, but it is worth checking that all the required information is correct.

Please do this WITHIN 7 DAYS from receiving this email. If you require more time, please reply to this email to let us know. If we haven't received a reply within 7 days, we will assume you do not want to proceed with the submission to Advances in Traditional Medicine

With kind regards,

Journal Editorial Office

Dear Mrs Engga Maretha,

The PDF for your manuscript, "Test Comparison of Seeds and Skins Extract of Duku's Fruit (*Lansium domesticum* Corr.) Against The Amount of Melanin Pigment of Skin Mencit (*Mus musculus*) To Prevent Premature Aging of The Skin" is ready for viewing.

In order to formally submit your manuscript to the journal, you must approve the PDF.

Please access the Editorial Manager website.

Your username is: DEngga Maretha-387

If you forgot your password, you can click the 'Send Login Details' link on the EM Login page at <https://www.editorialmanager.com/opem/>.

Click "Author Login".

In your main menu, you will see there is a category entitled "Submission Waiting for Author's Approval".

Click on that category, view your submission and approve it. In the unlikely case of conversion issues you may submit your manuscript data as a PDF file.

Your manuscript will then be formally submitted to the journal.

Thank you very much.

With kind regards,

Dear Mrs Engga Maretha,

Reviewers have now commented on your paper. You will see that they are advising that you revise your manuscript. If you are prepared to undertake the work required, I would be pleased to reconsider my decision.

The reviewers' comments can be found at the end of this email or can be accessed by following the provided link.

This is your login information:

Your username is: DEngga Maretha-387

If you forgot your password, you can click the 'Send Login Details' link on the EM Login page.

When revising your work, please submit a list of changes or a rebuttal against each point which is being raised when you submit the revised manuscript. Please make sure to submit your editable source files (i. e. Word, TeX).

Your revision is due by 19 May 2022.

To submit a revision, go to Editorial Manager website and log in as an Author. You will see a menu item called 'Submissions Needing Revision'. You will find your submission record there.

Yours sincerely

Dongwoo Nam, Ph.D.
